12 February 1958

	MEMORANDUM FOR: DEPUTY DIRECTOR, CENTRAL INTELLIGENCE				
	VIA : Deputy Director (Plans) M				
	SUBJECT: Letter of Commendation Addressed to the Department of Defense				
	1. Subject letter is attached hereto for your signature.				
25X1	2. was up for retirement when a Captain in June 1953, but was continued on active				
25X1	duty at the rank of Captain at the request of TSS so that he could join the He separated from the Agency on 31 January 1958 and was officially retired as a RADM as of that date.				
	3. During this 4-year period, has been engaged on a number of highly sensitive projects involving a variety of maritime equipment for use in His 25X1				
25X1	extensive experience has been of great help in this work.				
	The work has included evaluation of currently available material, the development of specialized equipment and field testing in co-operation with Naval facilities and stations.				
25X1	has been most capable in handling this work and has been particularly effective in laying on and personally directing field tests of Agency-developed equipment where the testing has been done at Naval facilities and has involved co-ordination of air, surface and underwater components of the Navy.				
25X1	5. We are indebted to the Navy not only for making available services and for continuing him on active duty while assigned to the Agency but also for their co-operation in assisting us with the R&D work.
